**A. Short Form** (For bills that have no impact on the state, local governments, businesses, or individuals.)

If you can check all five boxes to the right, you're almost done. If the bill obviously doesn't have an impact, you're done.

- |   |   |
|---|---|
| X | State agencies will not require an appropriation to implement the bill. |
| X | There is no fiscal impact on local governments.                         |
| X | There is no fiscal impact on businesses                                 |
| X | There is no fiscal impact on individuals.                               |
| X | The bill will not affect revenues.                                      |

If it isn't so obvious, explain what's going on. The most usual explanation is the codification of existing practices.

Attachments welcome.

If necessary, explain why this bill has no fiscal impact.

This bill changes the level at which executive or legislative approval is necessary to accept federal funds. Similar legislation is already in place thus no additional funds would be necessary.

**B. What parts of the bill cause fiscal impact?**

Cite specific sections or line numbers.

**C. Which program gets the appropriation?**

Enter 3 letter Appropriation Unit Code.

**For multiple appropriations**

**D. Work Notes: Assumptions, calculations & what are we buying?**

Explain the fiscal impact in plain English, detailing your assumptions, methods, & calculations.

List all direct costs. Identify one-time and ongoing costs. Detail FTE impacts.

Do not say, "\$50,000 in Current Expense." Be very specific about what this \$50,000 will buy.

Attachments encouraged.

This bill changes the level at which executive or legislative approval is necessary. This also adds political subdivisions and charter schools to the affected entities. Since similar legislation is already in place this will only add some entities who would need to seek approval but not new appreciable work of significance would be required.
